

AKAROA CIVIC TRUST

P.O. Box 43 Akaroa 7542
www.akaroacivictrust.co.nz

Please join and support the work of the Akaroa Civic Trust

The Akaroa Civic Trust is an active and effective guardian of the town's historic character and charm. As a volunteer organisation of more than fifty years, it works to increase awareness of the town's important place in Aotearoa New Zealand's historical and architectural development, set in one of the country's most stunning landscapes. The Civic Trust is also committed to protecting the town's historic streetscapes and maintaining the wellbeing of the Akaroa Harbour for future generations.

The Civic Trust was founded by local residents in 1969 to preserve Akaroa's rich bicultural history and character. Its members work with Members of Parliament, national organisations, Heritage New Zealand Pouhere Taonga, and the Christchurch City Council on many issues including those relating to the District Plan that impact the development of the town and surrounding area. The Trust supports new developments that are in harmony with Akaroa's historic character and encourages appropriate adaptive new uses for the town's historic buildings, helping to support many local businesses.

After more than fifty years, the Akaroa Civic Trust continues its work to preserve the historic character of the town.

We need your help and support as a member. If you wish to join please fill in the attached form and return to the treasurer.

Paula Comerford
Secretary
Akaroa Civic Trust.
